## NOTICE.

DEAR SIR:—In reply to the question put to me today by your Mr. Wight, I have to say that I have no reason to think that the fire which destroyed my residence on the night of the 14th inst., was caused by gas. I will rebuild on the site of my former residence at once, and it is my intention to use your product in the new house for illuminating as well as for fuel. For either purpose I regard gas as BETTER and, when used with discretion, CHEAPER and quite as SAFE as any other product.  
Yours truly,  
A. S. HUMPHREYS.
